We had an early start to our bus trip this month, leaving Redcliffe at 7-30am. Stopping on the Gold Coast for morning tea at a convenient park with tables to sit at. Then heading off to Murwillumbah to the Margaret Olley Art Centre. This is an excellent showing of her paintings, and her works of art. There is also a valuable painting by Monet, the French painter, on display for the next two years. Very impressive. Next stop was Murwillumbah RSL for a very nice lunch before heading home. It was a good day, although a long one.
