An excellent time was had by forty two members and visitors at our monthly Dine out at the Bramble Bay Bowls Club on Friday the Thirteenth - there was no bad luck involved this day! With an excellent lunch menu to select from, and some very reasonable prices, we were all very happy. The service was very good, and this staff nice and friendly, what more could we possibly want?

A most interesting morning for us having a tour of the Brisbane Port. After our usual enjoyable morning tea, we made our way to the Brisbane Port Authority building for a great overview of some of the port holding yards and island viewing before a tour, complete with knowledgeable guide, around the port. We saw a huge number of blades for the dreaded turbines which will be needed for our electricity in the future plus turbine pieces, cars, wood shavings, sand for reclaimed land, oyster shells for a cleaner harbour, coal trucks, and container yards etc. They are planning to enlarge the area where the cruise ships come in, so 2 ships can tie up at once. Great lunch at Redlands Bowling Club and a good trip home. Thanks Les & Barb
