Our dine was held on the warmest day of the week but as we were out on the deck at Sea Salt & Vine we did get the breeze. The service was excellent as was the food. It's no wonder that this venue is a very popular and busy place. Nearly thirty members and guests enjoyed their lunchtime sojourn.

September bus trip was to the Carnival of Flowers in Toowoomba. Although it was an early start, it was a very busy day. Heading straight to Picnic Point for our morning tea. We then had a look at some of the private gardens.. Lunch was at the Bowls Club, with an excellent selection of main meals We then went to another park to see the layout there. I think the Queens Park was the best, but other areas are great. We were lucky to get a good trip home, but still didn't get to Redcliffe until after 6pm. I'm sure that the thirty four members who went on this trip had an excellent day of it!
