NEWSLETTER FEBRUARY 2022

Good morning everyone, it's good to see you all again, and the new faces that have recently joined us. I sincerely hope you enjoy your sojourn with the Redcliffe Branch.

Things are looking brighter on the Covid front, soon we should be able to leave off all restrictions, how good will it be to return to normal?

We do have a guest speaker for this month so hopefully nothing will go wrong, as I'm sure you don't want to hear me reminiscing about my experiences any more!

It was a very windy day but sunny. Apologies for no dessert but there wasn't any fruit salad available anywhere due to Covid and the transport problems.

February 18 Trip

What a stunning day to have a trip on the water, see new wonders and enjoy a bus trip with friends. The boat man was full of interesting info. about the break in Bribie Island that is now the new channel, sand spits, and other wondrous topics. A pleasure to be on the boat and see the high rise from a different perspective. The waters close to the shore were very inviting and safe and many people just lounging in the water with nary a care in the world. Lunch at the Pelican Waters Tavern was the usual high standard and all in all a great day. You must have a special line with the weather people Les to give us such good trips. Please keep up the good work.
