NEWSLETTER JUNE 2026

Greetings members
Did you miss me?? Probably not. Donald and I had a very enjoyable trip. Time with family in the UK and some touring. Almost perfect weather.

We need to say a BIG thank-you to Les Dickens for his efforts while I was away, as he had to do his usual job of being the best "Vice President" ever.

AGM next month. Please give some thought to how you can contribute to the task of keeping your club active.

Nomination forms for committee membership will be available.

Regards President Kate

TRIPS & TOURS

Only 22 of us headed off on our June bus trip with Brad our driver. It was overcast when we left Redcliffe, but the sun came out and a blue sky. We travelled up to the Glass House Mountains lookout for morning tea. Lovely view over the mountains and countryside. We then headed off to the Queensland Air Museum - Aviation Museum at Caloundra aerodrome. There were a number of volunteers to tell us about some of the various planes displayed including an F-111. Very interesting place. We only got to see about a third of the things displayed but very interesting to hear some of the stories from the volunteers. Just a short drive to Caloundra Indoor Bowling Centre where we enjoyed a very nice BBQ lunch and delicious dessert. After lunch we made our way to the 2 lighthouses up on the hill overlooking Kings Beach. One was built in 1896 and the second one in 1968. Neither of them are working now. You can't climb the old one but you can make your way up 47 steps in the newer one. What a view from up there. We had a good trip home arriving in Redcliffe around 4PM. Great day had by all.

August 21st Bus Trip
