## NEWSLETTER APRIL 2021

---

Good morning everyone, great to be able to see you all again for the second meeting of the year! I hope you all had an enjoyable Easter long weekend after our sudden lock-down. With the advent of the covid-19 vaccination now beginning to pick up, we should be able to feel just a little more confident in venturing out once again! Jackie and I had our shots on the first of the month, now looking forward to getting our second dose. Perhaps we will be able to get back to a more normal lifestyle once this vaccination has been fully distributed. I hope so!! So stay safe and well, and keep smiling  
Doug.

The number of members and visitors to our monthly Dine-out was excellent. We totalled fifty visiting Sea Salt and Vine in Scarborough for a lunch in some perfect weather conditions, The venue has improved out of sight as far as accommodating our numbers is concerned, and the food was very good. I for one will be very happy to return again at any time. The service was tops for the number of people who were there! Hot food and coffee, cold beer and drinks. Good job from the two Barbs!

Thirty five members decided it would be a good idea to attend our first picnic at Crockatt Park last Friday just to see what it would be like. The weather was absolutely perfect, with brilliant sunshine and no clouds in sight. It was a B.Y.O. as far as food and drink was concerned, although coffee and tea was available.

Many of those attending decided on fish and chips, what a good idea. The local shop was happy!! We all had a very easy sort of day, and look forward to the next one when we have a five week month!!

On Friday the 16 April, 40 members headed off on a glorious day for our tour of the Airport. We had an early morning tea at Nudgee Beach with a beautiful view looking back across Bramble Bay towards Clontarf and Woody Point. We picked up our Guide from the Brisbane Airport Corporation near DFO and started on our tour of the airport. The guide was very informative about what has happened and what is still to happen in the airport precinct. We drove under the underpass that the planes use to taxi to the new runway and passed the big new fire station and watched a couple of planes take off. Then on to Norths Devils Leagues Club for a lovely two course lunch. As usual we got stuck in Friday afternoon traffic on the gateway, arrived back in Redcliffe around 4:15.

Going to have to take the wife's Valentines present back. She said she wanted something black and lacy... Turns out she didn't mean football boots

Q: Is Google male or female?

A: Female, because it doesn't let you finish a sentence before making a suggestion.
